MIRABILIS

On every order received, I will include a tuber of the Beautiful Mirabilis, with full cultural directions. Read below a few letters from those who have planted this bulb:

Wilton, Wis., Sept. 19, 1923.

Dear Sir:

I must tell you that the Mirabilis you gave me was sure a beauty. It bloomed all summer. I thank you many times for it.

(Miss) Emelie Kindt.

Madisonville, O., Sept. 25, 1923.

Dear Sir: The Mirabilis is at present covered with lovely large flowers, a pretty shade of pink. I am very well pleased with it.

(Mrs.) F. Sigmund.

Dear Sir:

East Stroudsburg, Pa., Sept. 25, 1923.

I received some bulbs from you this spring, one of them a Mirabilis, and it certainly is a wonder.

Kindly advise if I can get more of these bulbs and the price of same.
James S. Bunnell, 41 Lackawanna Ave.

Dear Sir:

Elizabeth, N. J., Oct. 21, 1923.

I want to thank you and tell you how much I enjoyed the Mirabilis you sent me. The Mirabilis bloomed from June and still has some flowers on it.

(Mrs.) R. M. Buchanon, 744 Van Buren Ave.

Dear Sir:

Alton, Illinois, May 12, 1923.

Last year I received a Mirabilis bulb. I was so well pleased with it. I like it better than any other plant. It blooms so long and everyone remarks about it. I would like to order some more this spring. Let me have your catalogue.

(Mrs.) L. H. Degenhardt, 427 W. Bluff St.

I do not sell the Mirabilis at any price, but do give one tuber away to a customer on an order.

Place your order early, if you want one of these bulbs, for last year I was obliged to disappoint hundreds of my friends.
